

JELCO

4 D-Ring Leather Double Tongue Buckle Belt

Our 4 D-Ring lineman's belt is the premiere 4 D-Ring belt on the market. The belt is hand crafted out of high quality Italian leather. From the moment you pick up the belt, you will agree it's the lightest, softest and most pliable 4 D-Ring belt you have tried. It feels like it's already broken in from the moment you put it on.

Features:

- 6 inch belt with leather exterior and an interior made of a moisture wicking material.
- Four D-Rings so you have a place to park your wood pole fall restricting device and your secondary safety without them getting tangled up.
- Tongue buckle belt connection for the top belt and bottom belt.
